

Sobha Developers bags Rs 2.4 cr order

Bangalore: Bangalore-based Sobha Developers, which commissioned its Spring Mattresses factory at Bommasandra in Bangalore, has said it has bagged order from Infosys for the supply of spring mattresses worth Rs 2.4 crore. The company in a release, said it plans to sell the mattresses in the Indian retail market under the brand name - Sobha Restoplus'. The production facility on a two shift basis would be 200 mattresses a day. The company is also planning to sell office furniture and home furniture produced in this factory as part of its third phase of its production facility for furniture and joinery. *BS Reporter*
